

MARCHING BAND ITINERARY

Wheaton North – Saturday, September 18th

- The call time is 12:45 PM.
- Rehearsal at 1:00 PM. This will be a marching rehearsal with playing. Your instruments will be needed, and pit will play set by set.
- Break to load at 4:45PM. Bring a snack to eat. You are not allowed to leave campus to go and get something. Be sure to bring something to eat as we will be eating on the bus. .
- Load at 4:45PM. We will load the trailer, truck, and buses in ONLY ½ Hour.
- Leave at 5:15PM. We would advise bringing dinner to eat on the bus/while packing the truck. This will make for a long day and we do not have time to stop before the competition. *Use the restrooms before we leave for the competition.*
- Arrive at 6:15PM. We will immediately unload and finish putting on the uniforms. Wear something that you can put the uniform on over (black LP shirt) as we will be changing on the buses. We will start stretching and find a place to review some basics before we move into the playing warm-up.
- Warm-up at 7:15PM
- Perform at 8:15PM. We will repack the buses and trailer immediately after the performance so we can leave after the awards.
- 9:30PM Awards. Please sit as a group in the back-field stands. The behavior of the ensemble needs to reflect nothing but the highest standard at all times.
